Experience

Future Business Leaders Of America (FBLA) — **Phoenix, Arizona**
Member — December 2024-May 2026

- Participated in the Data Analysis competition, placing first among 50-70 other students.
- Analyzed data on New York air quality to find trends, and used those trends to provide data backed solutions

Physics Olympiad — **Phoenix Arizona**
Officer — October 2024-May 2026

- Participated in the experimental design event, the write it do it event, and the forensics analysis event.
- We had the smallest team of any other competing high schools so each member had to take up responsibilities they may not be comfortable with. Participating in the forensics event forced me to adapt and place my teams priorities over my own.
- Our school placed 3rd in the regional Olympiad, and 6th in the state Olympiad.

Leadership & Activities

Byodo Tutoring — **Phoenix Arizona**
Owner — May 2025- May 2026

- Byodo was a small nonprofit online tutoring program offered for high school and middle school students. My friend and I created Byodo for students who needed help with various subjects like math, history, reading, writing, and various science classes.
- I was in charge of coding the website, overseeing math and science tutoring, as well as student outreach.
